Wow 2010 it's hard to believe, sure hope it is a better year for everyone and we can soon end these stupid wars along with our job market rebounding. Our election is over here in Taylor. We need to throw our support behind our new mayor Jeffrey Lamarand. The citizen's of Taylor have spoken. We want a new direction. The city council members need to work together as a team once again. For the good of our city and I do not see this happening as of now. So the voters in our city need to keep an eye on this situation and remember names in our next election because this division is wrong and damaging to the growth of the City of Taylors Future. Our club is doing very well. We have a lot of new young members in our Women Auxiliary and the club also. We are in the process of replacing all of the chairs in our clubroom. Jerry B. our entertainer is still packing the place on Friday and Saturday nights. Of course we still serve our Alaskan Haddock on Friday's along with the one pound T-bone on Saturday. Come on down some night to try your luck in Bingo. We have the nicest hall around. Ruth Braden along with her Crew do such a good job serving you from her kitchen along with decorating the place so beautifully. Our Bingo workers will treat you right and who knows, you might just hit one of our JACKPOTS! One last thing, I feel that this new smoking ban that will be taking effect in May 2010 could not have come at a worse time. Our Cities are broke, no job's, business places leaving our State in distress. I'm a non smoker but I also feel it should be my decision to smoke or not. Wear a helmet or, a seat belt but don't strip me of my Rights to satisfy others. Let them find a place to go where these *Activities* don't take place. **THIS IS NOT RIGHT NO MORE THAN MAKING EXCEPTIONS FOR THE CASINO'S, SMOKE SHOP'S OR CIGAR SHOP'S, THIS IS WRONG!!!**

Sincerely,

Your Democratic Club President
